

Workplace giving for employees

create lasting change every pay day

By making small, regular payments from your pre-tax pay, you can ensure that women facing homelessness have shelter and support every step of the way.

Why choose workplace giving?

- It's automated. Once you're set up, you don't need to do anything. Your donations will be recorded on your payslip and you'll receive a tax receipt at the end of the financial year.
- Your donations are pre-tax, so your taxable income is reduced.
- If your employer has a matched giving program, your donation could be doubled, increasing your impact!

Workplace giving means you can donate to YWCA Australia through your employer's payroll system. Your donations are made from your pre-tax salary which means you receive the tax benefit straight away rather than waiting until the end of financial year.

What is my impact?

For over 140 years, YWCA Australia has specialised in supporting women. Through our housing, services and leadership pathways, and support tailored to individual needs, YWCA Australia helps people find safe, secure and affordable housing and build the future they want. **Your donations will be used wherever they're needed most.**

Housing: Providing safe, secure and affordable housing.

Family and Domestic Violence: Supporting victim-survivors to have a future free from violence.

Evidence Based Services: Providing personalised support to those experiencing hardship.

The following amount to YWCA each pay period can:

\$25 provides a week of essential food items for one person.

\$50 gives essential clothing to a woman rebuilding her life.

\$100 offers one-night's emergency housing for a woman at risk.

\$250 covers a week of accommodation for a family without secure housing.

How to join a workplace giving program

1. Find out if your organisation has a workplace giving program.
2. If they do, nominate YWCA Australia as your charity of choice and select your donation amount.
3. Your employer will then make these donations to YWCA Australia on your behalf directly from your pre-tax salary.
4. If your organisation doesn't have a workplace giving program, contact giving@ywca.org.au
